MINISTRY OF TRANSPORT OPERATOR GUIDANCE

Purpose

This Advisory supplement the Advisory I sent yesterday [DK-32 Advisory – Update on changes for managing COVID-19](#). As far as I am aware, in terms of operational requirements there have been no changes however, the Ministry of Transport has now released its transport operator guidance which up until today had been in draft form but has now been finalized.

Ministry of Transport information

The link to Version 1.0 of the guidance is: <https://www.transport.govt.nz/about-us/covid-19/>.

It is important to note that this guidance may be updated by the Ministry of Transport in the future. Operators downloading this guidance are encouraged to register their details at COVIDsupport@transport.govt.nz or with your relevant transport regulator (see page 6 of the guidance document for contact details) so you can be sent any updates to this guidance.

Please note: The content of this Advisory has been issued to inform members of RTANZ. It is for road freight transport industry circulation, not for media publication. It can be forwarded in its entirety to members of the association. It cannot be reproduced, or printed in parts, under any logo other than La Ara Aotearoa Transporting New Zealand's logo, without written permission from Transporting New Zealand.
